Section 4: Direct debit request service agreement

1. Why an agreement? Through this direct debit request you are allowing us to debit amounts from your bank* account on a monthly basis.
2. If Rest wants to change this agreement, we will notify you at least 14 days before making any changes. Please contact Rest Customer Service on 1300 300 778 if you want to make an enquiry or would like to:
 - change your direct debit – advise us in writing at least three business days before the date we debit your bank account
 - cancel your direct debit request – advise us in writing at least three business days before the date we debit your bank account
 - dispute a debit that has been made from your bank account – Rest will respond to your dispute within five business days.
3. We will always try to debit your account on the 20th of each month, except when that date falls on a weekend or public holiday. In this case we will debit your account on the next business day.
4. You should make sure that you always have enough cleared funds in your bank account for us to debit your account. If there is not enough money (that is, cleared funds) in your bank account, we will still make a debit. But if your bank dishonours the debit, we may pass any dishonour fees and/or any costs incurred by Rest on to you.
5. We will keep your bank account details confidential, unless we are required by law to disclose them, if Rest's bank needs information about your bank account or if you give us permission to reveal your bank details.
6. Before completing this direct debit request, please check with your bank that:
 - your bank account accepts direct debiting as some accounts do not; and
 - the bank account number you give us is correct (refer to your bank statement or contact your bank if necessary).

* Please note that, where we talk about 'bank', this could also mean other financial institutions.

Section 5: TFN collection statement

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The Trustee may disclose your TFN to another superannuation provider when your benefits are being transferred, unless you request the Trustee in writing that your TFN not be disclosed to any other superannuation provider. The Trustee with your consent may use your TFN to locate amounts held for you in different superannuation accounts you have with Rest or to consolidate any superannuation accounts you have with other superannuation providers. The Trustee with your consent may disclose your TFN to the Australian Taxation Office (ATO) and to those superannuation providers identified by the ATO that may hold superannuation benefits in respect of you and to those superannuation providers nominated by you in order to:

- receive results of any searches of the ATO's super records;
- receive payment of any amount identified through the search process;
- transfer such amounts to your Rest account; and
- otherwise assist in consolidating your superannuation accounts.

It is not an offence not to quote your TFN. However, giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- your superannuation fund will be able to accept all types of contributions to your account(s);
- the tax on employer contributions to your superannuation account(s) will not increase;
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits; and
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

Note, if you do not give the Trustee your TFN either now or later:

- the fund will not be able to accept personal contributions and contributions your spouse makes for you, this also means you may miss out on super co-contributions;
- contributions an employer makes for you, including salary sacrifice contributions will be taxed at a higher rate; and
- tax will be withheld from cash withdrawals at a higher rate.
